April, 2008

Aloha—Attached is the long-awaited (perhaps even forgotten) response to the Parish Survey! The tallies summarize the total response to each question in this order: Agree/Disagree/Undecided. The newsletter format was created to address some of the questions raised in each category.

Please take some time to review this material and plan to attend the Town Hall Meeting on Tuesday, April 29, 2008 at 7:30 PM. Sometime after that meeting, we will schedule a visit with the Bishop here at ROL.
