August 17, 2008

Elections are drawing near. The most important step in the election process is to be sure that you are properly registered to vote in the district in which you live. If you have already received a yellow tri-fold notice concerning your polling place, you are good to go. If the notice was forwarded, please be sure to send the bottom portion to the City Clerk's office to update your address and corresponding polling place. If you have moved or have not received such a notice, please complete a new registration form.

There are some big dates concerning the November General Election that we must keep in mind:

The City Clerk is already accepting applications for absentee ballots.
